

SCHWINN

AUTHENTIC CYCLING **SPORT**

THE CYCLE OF EXCELLENCE CONTINUES.

With the first production bike designed specifically for indoor cycling, Schwinn® set the standard for an industry. Now, with the AC™ Sport, we're taking it to a whole new level. Riders experience enhanced comfort with adjustable seat slides and handlebars, and durable stretch pads. A product of input from hundreds of users, cycling instructors and fitness buyers, this innovative bike belongs in a class by itself – but your riders will definitely want it in theirs.

PEDAL FEATURES AND OPTIONS

All Schwinn Authentic Cycling indoor bikes come standard with Double Link pedals with SPD and toe-clip combinations to accommodate both cycling cleats and regular athletic shoes. The AC Performance Plus bike is Schwinn Triple Link™ pedal compatible. Triple Link Pedals accommodate Look, Delta and SPD style cleats to simulate an outdoor riding experience. They easily convert to accept traditional athletic shoes with the snap-in locking toe clips.

CONSOLE FEATURES AND OPTIONS

The MPower™ Echelon2 Console provides immediate feedback and unique training opportunities, helping riders improve fitness in ways they can actually see, and making it a reliable tool in all types of cycling facilities.

- User metrics include Power, Time, Kcal, Cadence (RPM), Speed, Distance and Telemetry Heart Rate
- Optional display component of resistance level with a numeric “gear” displayed on the console
- Two ways to memorialize workout data: USB Memory Stick and ANT+ Wireless Devices
- System does not rely on a wireless signal for communication, eliminating connectivity issues
- Compatible with both the Schwinn AC Sport and AC Performance Plus bikes

BUILD ON GREATNESS

At **Core Health & Fitness**, when we brought together fitness brands to build our company, we settled for nothing but the best. Four iconic brands that pioneered entire categories and whose machines are still the ones **members ask for by name**. Today, we're committed to continuing the tradition that started decades ago – and that's greatness you can feel good about building your business on.
